Conclusion:

We understand the reason for the birth of challenged persons from the above examples. Karma is the most important factor. This type of birth is due to our previous janma karma. We had done lot of evils to others in our past janma. So, God punished us in this janma. So, we can avail the opportunity in our day to day life, we must do so many good karmas to others like physical help or material help. Thus we balance our karma.
